FOREST GLEN RHEE TAEKWON-DO

INTRODUCTION

Dear Parents,

Welcome to Forest Glen Rhee Taekwon-Do school at Montessori International College. Thank you for entrusting Rhee Taekwon-Do to equip your children with the correct and effective Rhee Taekwon-Do techniques, the art of self defence!

We promise a fun and enjoyable training program.

See your child's fitness and coordination improve with regular training!

Great benefits to be gained in developing a healthy mind and desirable personal characteristics.

We provide a supportive training environment where each and every student can take pride in doing their best.

Our training schedule involves 3 categories of training as below:

1. **Regular Training Sessions:** Tuesday and Friday, 3.30 -4.30pm (Fee per term as detailed overleaf)
2. **Saturday training:** by invitation (at no extra cost)
3. **Action Days (Grading Test):** compulsory for grading (at no extra cost except for Black Belt promotion where a 200 dollars fee applies)

Rhee Taekwon-Do is the biggest martial arts organisation in Australia with 16 branches on the Sunshine Coast and hundreds of branches Australia wide. We have regular Action Days about every 6 weeks where members from designated branches participate in demonstrating their Rhee Taekwon-Do skills. This is considered as Grading test where students are examined and promoted to new belt levels. We ask students and parents to respectfully notify the branch Instructor in advance if you're unable to attend any Action Day.

If you have any queries about our program, please contact myself with details as below or visit our website <https://rheetaekwon-do.com/>
